

CHESIA JULIAN PRATIWI

Informatics Engineering Student — Frontend & Android Developer

Jakarta, Indonesia | angelavilomena21@gmail.com | +62 819-0535-4627

LinkedIn: Chesia Julian Pratiwi | IG: @meiliduchessa

PROFILE

Informatics Engineering student with strong interest in day-to-day team operations management, alongside hands-on experience in UI/UX Design (Figma), frontend web, and Android development. Skilled in managing multiple tasks simultaneously, ensuring data accuracy, and coordinating with diverse stakeholders. Experienced in leading organizations, running projects, and continuously deepening technical expertise through training, certifications, and national-level competitions.

EDUCATION

Jakarta State Polytechnic — Informatics Engineering	<i>2023 — Present</i>
CCIT FTUI — Information Technology in Software Engineering	<i>2023 — 2025</i>
SMAN 113 Jakarta — Social Sciences	<i>2022 — 2023</i>
Saint Antonius Senior High School, Jakarta — Social Sciences	<i>2020 — 2022</i>

INTERNSHIP EXPERIENCE

PT Wijaya Karya Beton, Tbk — IT Department Intern	<i>Sep 2025 — Jan 2026</i>
Contributed to internal system development, including web-based applications for construction project management, and helped maintain and optimize existing systems. Designed website interfaces for SHGB and building-permit management, and deepened knowledge of SAP BTP and SAP ISM within a large state-owned enterprise.	
PT Konsulindo Informatika Perdana — Web Developer Intern	<i>Jul — Aug 2025</i>
Involved in website development for multiple clients, gaining exposure to the full software development lifecycle from requirements analysis and interface design through implementation and testing. Designed website interfaces for medical sidebars and worked closely with senior developers on SAP S/4HANA and SAP Customer Experience practices.	

PROJECTS

SahabatPNJ — Web & Android Development (UI/UX Designer)	<i>2026</i>
An integrated learning platform based on learning paths, gamification, and AI recommendations to accelerate skill development.	
Ventara — Web Development (UI/UX Designer)	<i>2026</i>
Collaborative research project with BRIN and PNJ to build a web platform forecasting wind energy potential using machine learning. Designed wireframes and prototypes in Figma, coordinated with cross-functional stakeholders, and used SQL to manage and query datasets for the forecasting model.	
Perfume Catalogue — Android App	<i>2025</i>
Designed the UI/UX in Figma and built an Android perfume-catalogue app with Kotlin and Android Studio, backed by a fullstack PHP/MySQL (XAMPP) backend.	
Lapo Porsea — Business Profile Website	<i>2025</i>
Designed UI/UX and developed a fullstack responsive website (PHP/MySQL) showcasing menu and restaurant information for a culinary brand.	
Online House Price — Prediction Website	<i>2025</i>
Designed UI/UX to present prediction results clearly and used SQL to manage the housing dataset behind a property-price prediction algorithm.	
Photobooth & Student Focus Mode — Websites	<i>2025</i>
Designed and built an interactive online photobooth with creative filters, and a study-focus website with timer, to-do list, and background music (HTML, CSS, JavaScript).	

ORGANIZATIONAL EXPERIENCE

Jakarta Short Film Program Division — Division Member	<i>2026</i>
Managed concurrent tasks across pre-production, screening logistics, and documentation for a city-scale short film program.	
SPNJ Android Mentor	<i>2026</i>
Guided participants in Android app development, from fundamentals to project implementation.	
South Deanery Consolidation — Committee Member	<i>2025</i>
Coordinated with multiple stakeholders while managing logistics and verifying participant and schedule data for a deanery-level event.	
Liaison Officer — Popnas Peparpenas	<i>2025</i>
Managed multiple participant groups and schedules as field coordinator, ensuring smooth communication among participants, coaches, and committee.	
LO — Pursues Dream of Jakarta, Russian Embassy	<i>2025</i>
Coordinated logistics and communication between the event committee and the Russian Embassy.	
University ID Mentor — TKA PPKN	<i>2025</i>
Guided participants in developing competencies in Pancasila and Civics Education.	
PMKAJ US South Deanery — Team Operations & Development	<i>2023</i>
Managed daily team operations, ensured data accuracy, and coordinated across divisions to achieve shared program goals.	

ACHIEVEMENTS

- Duta Teladan Indonesia 2025 Batch 2 — Provincial Facilitator
- Duta Communication Indonesia, DKI Jakarta Province — Finalist
- TOEFL Prediction (Central Course) — Score 627
- Daily TOEFL — Score 580
- History Olympiad, Festival Cerdas Merdeka — 1st (Province), 8th Nationally
- Indonesian Language Olympiad, Festival Cerdas Merdeka — 2nd (Province), 12th Nationally
- Civics (PPKN) Olympiad, Festival Cerdas Merdeka — 5th (Province), 29th Nationally
- Civics (PPKN) Olympiad, July Olympiad Festival — 2nd Place Nationally
- Chemistry Olympiad, July Olympiad Festival — 2nd Place Nationally
- Economics Olympiad, July Olympiad Festival — 3rd Runner-Up
- Indonesian Language Olympiad, June Olympiad Festival — 1st Runner-Up
- English Olympiad, June Olympiad Festival — 3rd Runner-Up
- Civics (PPKN) Olympiad, June Olympiad Festival — 3rd Place Nationally
- Sociology Olympiad, June Olympiad Festival — 3rd Place Nationally
- Indonesian Language Olympiad, October Olympiad Festival — 1st Place Nationally
- Civics (PPKN) Olympiad, October Olympiad Festival — 1st (Province), 4th Nationally
- Mathematics Olympiad, October Olympiad Festival — 1st (Province), 13th Nationally
- English Olympiad, October Olympiad Festival — 2nd (Province), 11th Nationally
- Social Studies Olympiad, October Olympiad Festival — 2nd (Province), 4th Nationally
- Natural Science Olympiad, October Olympiad Festival — 1st (Province), 6th Nationally
- Solidarity Poetry Competition for Indonesia, Garuda TV — Participant
- Best Grades in English, Class XII IPS 1 — Top Score (94)
- Best Grades in English, Class XI IPS 2 — Top Score (91)
- General Knowledge Quiz, SejutaCita Future Leaders Vol. V to Japan — Participant
- National Poster Competition, Bale ITE Training Center — Participant
- National Writing Competition, Pemuda Internasional — Participant
- Christian Talent Infographic Design Competition — Participant

CERTIFICATES & TRAINING

- Microsoft: Azure AI Agents, Foundry & Foundry IQ, Azure Language, Content Understanding
- Microsoft: Document Intelligence, Azure AI Search, Power BI, Speech & Translator services
- Microsoft: Multi-agent & vision/audio-enabled generative AI application development
- SAP: Business Technology Platform (BTP), Cloud Foundry Runtime, Cloud ALM
- SAP: Cloud ERP, S/4HANA, RISE with SAP Methodology, Payables Management
- Dicoding: Front-End & Back-End Web Development, Intermediate Web Development
- Dicoding: Machine Learning for Beginners, Python Programming, Git with GitHub
- Dicoding: Gen AI Apps with Azure, Data Science with Microsoft Fabric, AI Fundamentals
- Huawei: HCIA-AI V4.0, AI Technology & Applications, Math & Python Basics
- Skilvul: React, Python (incl. Advanced), C#, C++, Algorithms & Data Structures
- Skilvul: Intro UI/UX, Digital Marketing, Career Preparation, AI Literacy
- IBM SkillsBuild: AI Ethics, Career Management Essentials, Intro to Generative AI
- Cisco Networking Academy: Introduction to Data Science
- Codepolitan: Fundamentals and Use of Generative AI · Bootcamp: Technical Analysis
- Webinars: TOEFL/IELTS Prep, Social Media Marketing, AI for Business, Microservices
- Organization Certificates: PEMIRA TIK 2024, Temu Penegak II, Consolidation Pentakosta

SKILLS

- Technical**

 - Frontend Web (HTML, CSS, JavaScript, React, Next)
 - Android Development (Kotlin, Java)
 - UI/UX Design (Figma) — wireframing & prototyping
 - SQL & relational database management
 - Python, C#, C++
 - Azure AI & Cloud Services; SAP BTP / S/4HANA
 - Git & GitHub
- Non-Technical**

 - Team & Organizational Operations Management
 - Leadership and Committee Coordination
 - Public Communication & Diplomacy
 - Mentoring and Coaching
